ALLIANCE of AUTOMOTIVE SERVICE PROVIDERS

Application for Associate Membership

The Alliance of Automotive Service Providers (AASP) is a national association representing the automotive service industry in the United States. AASP was founded in 1999 by a coalition of state and regional organizations representing the industry. AASP affiliates represent over 8,500 automotive professionals nationwide.

AASP works to strengthen its state and regional affiliates by promoting common business interests, forging strategic alliances and monitoring federal legislation and regulations. Increasing involvement from at-large members is an important part of continuing to provide these and other benefits to the industry.

Here are some of the benefits you will enjoy by joining AASP today:

BENEFITS

- Membership in a growing association for the automotive service industry in the United States.
- Potential sponsorship opportunities of national AASP programs.
- A link to your company website on the national AASP website.
- AASP member logo for inclusion on your company correspondence and advertising.
- National mailing list one time per member year. *

*Upon request, the national AASP member mailing list will be made available electronically to associate members one time per year with mailing address only (no phone or fax numbers or email addresses will be provided). Additional lists are available annually for an additional cost of \$200 per list.

Join today and let AASP be your national voice in the industry and a total resource organization that provides outstanding benefits and resources for your company.
